

Activate visual imagination of group members through photography.

Enable Storytelling through Photo Collage and help the individual to tell their story of Recovery.

Process and share individuals' feelings safely within a group context.

Photo Therapy group Workshop for **addiction**

“Very open, informal, free - wheeling, expressive, creative”

- Feedback from a client at RWCDAS- September 2024

Hello! My name is Sisi. I am a Transpersonal Arts Counsellor (MBACP - MCGI) specialised in Photo Therapy Techniques and working with addiction. My 12 week photography program is proven to help clients like yours create positive change.

Get in touch today and let's discuss how my photography program can work alongside your recovery program.
